Reliability Indicator:

Not established

Overall Length:

4.500 inches

Overall Height:

4.500 inches

Overall Width:

2.750 inches

Distance Between Mounting Facility Centers:

2.219 inches 1st mounting facility single center group

End Application:

Model no. M-1

Inclosure Type:

Fully enclosed

Mounting Facility Quantity:

2 single group

Mounting Method:

Threaded stud single group

Thread Size:

0.164 inches single group

Thread Series Designator:

Unc single group

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
