Reliability Indicator:

Not established

Body Length:

2.870 inches

Body Height:

2.940 inches

Inclosure Type:

Fully enclosed

Mounting Facility Quantity:

4 single group

Mounting Method:

Threaded hole single group

Features Provided:

Color coded lead

Terminal Type And Quantity:

10 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A058b0
