Reliability Indicator:

Not established

Body Length:

1.688 inches

Body Outside Diameter:

0.375 inches

Inclosure Type:

Open

Mounting Method:

Threaded bushing single group

Thread Size:

0.250 inches single group

Thread Series Designator:

Unf single group

Terminal Type And Quantity:

3 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A058b0
