| Reliability Indicator: |
|------------------------|
| Not established |
| Body Length: |
| 3.531 inches |
| Dealer Width . |

Body Width:

2.156 inches

Body Height:

2.218 inches

Inclosure Type:

Fully enclosed

Mounting Facility Quantity:

2 single group

Mounting Method:

Slot single group

Terminal Type And Quantity:

2 wire lead

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A058b0
