**Frequency Rating:**

60.0 hertz single component

**Core Construction:**

Solid single component

**Winding Operating Voltage:**

115.00 ac pounds per hour dry single component single winding and 230.00 ac pounds per hour with retaining chain single component single winding

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A058b0
