## NSN 5950-01-086-2729

Power Transformer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5950-01-086-2729

Reliability Indicator:
Not established
Frequency Rating:
20.0 kilohertz single component
Input-output Phase Relationship:
Single phase to single phase single component
Winding Function And Quantity:
2 primary and 4 secondary single component
Winding Operating Voltage:
5.60 ac volts single component 1st secondary
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A058b0
