## NSN 5950-01-088-8604

Power Autotransformer Transformer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5950-01-088-8604

Reliability Indicator:
Not established
Input-output Phase Relationship:
Single phase to single phase single component
Inclosure Type:
Fully enclosed
Mounting Facility Quantity:
3 single group
Mounting Method:
Unthreaded hole single group
Winding Function And Quantity:
1 primary, variable autotransformer type single component
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A058b0
