Reliability Indicator:

Not established

Overall Length:

5.484 inches

Overall Height:

5.016 inches

Overall Width:

5.016 inches

Inclosure Type:

Fully enclosed

Mounting Facility Quantity:

8 single group

Mounting Method:

Threaded hole single group

Features Provided:

Color coded lead

Terminal Type And Quantity:

17 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A058b0
