_
Reliability Indicator:
Not established
Overall Height:
13.750 inches
Overall Width:
13.750 inches
Winding Operating Current:
55.0 amperes ac single component single primary
Dc Resistance Rating In Ohms:
2.600 single component single primary
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A058b0
