Overall Height:

Between 0.325 inches and 0.335 inches

Overall Diameter:

Between 0.335 inches and 0.345 inches

Mounting Facility Type And Quantity:

2 tab single mounting facility

Material:

Copper alloy

Material Specification:

Qq-b-613, alloy no. 260 federal specification single material response

Surface Treatment:

Cadmium

Surface Treatment Specification:

Sm-a-618694 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0

Mil-std (military Standard):

spec.
