**Frequency Rating:**

60.0 hertz single component

**End Application:**

Westinghouse electric co. Type gf contactor class 1500

**Winding Operating Voltage:**

500.00 dc pounds per hour wet single component single winding

**Special Features:**

Blowout

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A058b0
