**Reliability Indicator:**

Not established

**Inclosure Type:**

Hermetically sealed

**Criticality Code Justification:**

Zzzy

**Terminal Type And Quantity:**

10 turret

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A058b0
