#### **Turn Quantity:**

7 single component single winding

## **Body Length:**

0.400 inches

# Body Width:

0.360 inches

## **Body Height:**

0.300 inches

Inclosure Type:

Fully enclosed

Rating Method:

Winding turns single component single winding

#### Winding Conductor Size:

0.02535 inches american wire gage single component single winding

#### Shelf Life:

N/a

#### Unit Of Measure:

--

# Demilitarization:

No

# Fiig:

A058b0
