Radio Frequency Coil - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5950-01-341-3732

Reliability Indicator:
Not established
Inductance Rating:
22.00 microhenries single component single winding
Rating Method:
Electrical single component single winding
Special Features:
Laminated ferrite
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A058b0
