Winding Operating Voltage:

400.00 dc volts 1st component single primary input and 300.00 dc volts 1st component single primary input and 240.00 dc volts 1st component single primary input

Succial I calules.	St	pecial	Features:
--------------------	----	--------	-----------

3 phase transformer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
