Frequency Rating:

60.0 hertz all components

End Application:

Brake, disc p/n r72025 onboard 400 ft wagb coast guard vessels

Winding Quantity:

3 all components

Rating Method:

Electrical all components single winding

Winding Operating Voltage:

440.00 ac volts all components single winding

Terminal Type And Quantity:

3 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
