**Reliability Indicator:**

Not established

**End Application:**

Welding machine, wsd: jf, oliver perry class ffg

**Rating Method:**

Electrical single component single winding

**Special Features:**

Next higher assembly, century 105 amp wire feed welder, model 117-052

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A058b0
