Turn Quantity:

7.5 single component single winding

Inductance Rating:

0.190 microhenries single component single winding

Body Width:

7.3 millimeters

Body Height:

13.0 millimeters

Rating Method:

Winding turns single component single winding

Special Features:

Orig item name coil var rf rdl; color violet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
