Electrical Coil - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5950-01-523-1422

Core Construction:
S0lid single component
End Application:
Power unit
Winding Quantity:
1 single component
Special Features:
Magnetic core; wire 16 awg 200 degc; protective covering, tubing.
Terminal Type And Quantity:
4 wire lead
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A058b0
