Overall Length:

63.000 inches

Overall Height:

9.000 inches

Overall Width:

53.000 inches

Transformer Winding Connection Type:

Wye-open delta

Inclosure Type:

Fully enclosed

Winding Power Rating:

100.0 k11ovolt-amperes all components all primary

Product Name:

Electrical fire pump controller

Special Features:

Wye-delta open controller; 50 hp; 220 - 240v ac; lmr series micro

Terminal Type And Quantity:

2 cable w/connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
