**Body Height:**

8.500 inches

**End Application:**

Power panel encl 709692-101

**Product Name:**

Transformer, current

**Special Features:**

Item is ge product p/n 709385-1 with data specification as ge 705x120603. Lpd 4 class ship modified mounting holes. Enlarge existing holes to .531 +.008 -.001 diameter 4 pl. Ref with contact is 9.87 inch on one side.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A058b0
