

View Online at <https://aerobasegroup.com/nsn/5950-01-548-1123>

**Reliability Indicator:**

Not established

**End Application:**

C-17a aircraft

**Special Features:**

Average dc current withno ac current series connected 2.0 parallel connected 4.0 operating voltage winding towindings units vac 50  
operating voltage windings to mounting surface vac 100

**Terminal Type And Quantity:**

4 wire lead

**Specification Data:**

89954-342a9226 manufacturers specification control

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A058b0
