End Application:

Control applications

Product Name:

Din rail mount control transformer

Special Features:

Va rating 25; ouput amps 1.04; dimensions 3.75x3.25x2.75x3.8 inches; primary voltage 120 supply lines connect to h1, h2; secondary voltage 24 load lines connect to x2, xf; for panel mounted industrial control applications

Terminal Type And Quantity:

4 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
