Frequency Rating:

50.0 hertz all components or 60.0 hertz all components

End Application:

Doall band saw

Winding Operating Voltage:

230.00 ac pounds per hour wet all components all primary or 460.00 ac pounds per hour wet all components all primary or 575.00 ac pounds per hour wet all components all primary

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
