Frequency Rating:

50.0 hertz all components or 60.0 hertz all components

End Application:

Doall band saw

Winding Operating Current:

30.0 amperes ac all components all primary

Winding Operating Voltage:

230.00 ac pounds per hour wet all components all primary or 416.00 ac pounds per hour wet all components all primary

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
