Reliability Indicator:

Not established

End Application:

Panel, fo heater 870-194099, galley, hpw 870-187479, laundry, hpw 870-187481 remote control

Inclosure Type:

Fully enclosed

Winding Operating Current:

2.27 amperes ac single component single secondary

Winding Operating Voltage:

440.00 ac volts single component single primary

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
