Power Transformer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5950-01-577-2308

## **Reliability Indicator:**

Not established

## **End Application:**

Panel, fo heater 870-194099, galley, hpw 870-187479, laundry, hpw 870-187481 remote control

# Inclosure Type:

Fully enclosed

### Winding Operating Current:

2.27 amperes ac single component single secondary

#### Winding Operating Voltage:

440.00 ac volts single component single primary

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No
