Overall Length:

0.480 inches

Overall Height:

0.220 inches

Overall Width:

0.225 inches

Special Features:

Flame retardant encapsulant; pick and place compatible; compliant to rohs directive 2002/95/ec; tape and reel packaging for automatic handling; operating temperature: - 55 degree celsius to + 125 degree celsius; inductance: measured at 1 v with no dc current

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
