**End Application:**

1240-01-216-6331

**Winding Quantity:**

2 single component

**Inclosure Type:**

Fully enclosed

**Rating Method:**

Electrical single component single primary

**Product Name:**

High current, surface mount inductors

**Special Features:**

Rohs compliant directive 2002/95/ec

**Terminal Type And Quantity:**

2 bonding pad

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A058b0
