Inclosure Type:

Partially enclosed, half shell

Product Name:

Transformer

Special Features:

Frequency response 40khz-300khz; dc current is 160ma; operating temp is -40 to +85c; designed to work with brooktree bt8921 at a data rate of 1, 168kbs

Terminal Type And Quantity:

10 pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A058b0
