General Description:

H80 degrees c temp control, 24v ac or dc operating voltage, 3 minute warmup time from m55.0 degrees c, 200 vac dielectric strength case to ground, self regulating, 12 gold plated terminals, 0.398 in. H, 0.573 in. Dia

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
