Application Design:

Oscillator

Overall Height:

0.080 inches

End Application:

Crt, oscillator

Mounting Configuration:

Ten 0.116 in. Diameter mtg holes, unthreaded

Material:

Aluminum alloy

Material:

Aluminum alloy

Supplementary Features:

Item is curved to conform to a 131 degree angle

Surface Treatment:

Chemical film

Fsc Application Data:

Miscellaneous communication equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
