Overall Length:

7.562 inches

Overall Height:

2.890 inches

Overall Width:

3.906 inches

Basic Shape Style:

Rectangular or square

Frequency Per Channel:

130.0 megahertz operating channel

External Dc Operating Voltage In Volts:

28.0 single voltage

Fsc Application Data:

Terminal, satellite communications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A32200
