**Overall Length:**

8.000 inches

**Overall Height:**

0.922 inches

**Overall Width:**

4.550 inches

**Basic Shape Style:**

Rectangular or square

**Inclosure Type:**

Partially enclosed

**Installation Design:**

Module

**Connection Type And Location:**

Connector, plug rear and printed circuit rear

**Criticality Code Justification:**

Feat

**Special Features:**

Electrostatic sensitive

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A32200
