**End Application:**

Low density radio communication link (ldrcl)

**Special Features:**

Mdr600, cast aluminum with front connection; function: oscillator, crystal controlled, mdr600; reference data: ldrcl, mdr6000, typical application

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A32200
