Electron Tube - Page 1 of 1

Fiig: A516k0

View Online at https://aerobasegroup.com/nsn/5960-00-014-1216

Tube Type:
Cathode ray
Features Provided:
Electromagnetic interference shielding
Special Features:
Mftr. Classification: focus; envelope material: glass
Specification Data:
80131-release 320 professional/industrial association specification
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
