Overall Length:

1.563 inches

Overall Height:

0.563 inches

Overall Diameter:

1.563 inches

Distance From Retainer Center To Centerline Of Mounting Facility:

0.688 inches

Accommodated Item Securing Device Type:

Spring w/button

Tube Envelope Accommodated Maximum Diameter:

1.188 inches

Mounting Facility Type And Quantity:

1 threaded stud single mounting facility

Material:

Stainless steel

Surface Treatment:

Passivate

Style Designator:

Plain cap hold down w/ screw

Test Data Document:

94135-navordstd600 standard (includes industry or association standards, individual manufactureer standards, etc.).

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
