Inside Diameter:

0.750 inches

Overall Length:

1.250 inches

Overall Height:

0.688 inches

Overall Width:

0.790 inches

Unthreaded Mounting Hole Diameter:

0.193 inches single mounting facility

Distance From Retainer Center To Centerline Of Mounting Facility:

0.719 inches

Angle Between Adjacent Mounting Facilities In Deg:

107.0

Accommodated Item Securing Device Type:

Clamp

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Material:

Aluminum alloy

Material Specification:

Qq-a-318 federal specification single material response

Style Designator:

Srew clamp, footed hole mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
