Overall Length:

3.687 inches

Overall Height:

1.469 inches

Overall Width:

1.719 inches

Unthreaded Mounting Hole Diameter:

0.128 inches single mounting facility

Accommodated Item Securing Device Type:

Friction fastener

Mounting Facility Type And Quantity:

6 unthreaded hole single mounting facility

Material:

Aluminum alloy

Surface Treatment:

Anodize

Style Designator:

Rectangular prism

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
