End Application:

1430-01-219-5560

Special Features:

Tube clamp used on patriot missile

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
