**Overall Height:**

0.260 inches

**Overall Diameter:**

0.335 inches

**Semiconductor Material:**

Silicon all semiconductor

**Special Features:**

6 lead terminals; junction pattern arrangement: npn

**Specification Data:**

80131-release4340 manufacturers specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A110a0
