| Overall Length:                      |
|--------------------------------------|
| 1.250 inches                         |
| Overall Height:                      |
| 0.250 inches                         |
| Overall Width:                       |
| 0.450 inches                         |
| Circuit Connection Style Designator: |
| Bridge 3 phase                       |
| Material:                            |
| Silicon                              |
| Terminal Type And Quantity:          |
| 6 turret                             |
| Shelf Life:                          |
| N/a                                  |
| Unit Of Measure:                     |
|                                      |
| Demilitarization:                    |
| No                                   |
| Fiig:                                |
| A503j0                               |
|                                      |
