Overall Height:

0.210 inches

Overall Diameter:

0.220 inches

Accommodated Item Securing Device Type:

Spring clip

Mounting Facility Type And Quantity:

1 friction single mounting facility

Material:

Copper

Surface Treatment:

Tin

Surface Treatment Specification:

Mil-t-10727, type 1 military specification single treatment response

Style Designator:

Radial spring clip

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0

Mil-std (military Standard):

Mil-t-10727 spec.
