Overall Length:

3.243 inches

Overall Diameter:

0.719 inches

Input Terminal Type:

Coaxial cable

Output Terminal Type:

Coaxial cable

Coaxial Connector Series Designation:

Osm

Operating Frequency:

Between 500.0 megahertz and 1.0 gigahertz

Accommodated Equipment Identifying Number:

In23we or hp associate part no. 2353

Input Contact Type:

Male

Output Coaxial Connection Series Designation:

Osm

Output Contact Type:

Female

Specification Or Standard:

188943-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T386-h
