Semiconductor Device Retainer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5961-00-931-7645

Overall Length:
0.433 inches

Overall Diameter:
0.230 inches

Unthreaded Mounting Hole Diameter:
0.092 inches single mounting facility

Accommodated Item Securing Device Type:
Friction fastener

Mounting Facility Type And Quantity:
1 unthreaded hole single mounting facility

Material:
Aluminum alloy

Surface Treatment:
Anodize

Style Designator:Cylindrical

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A062a0
