| End Application:                 |
|----------------------------------|
| Part no. 623949-3                |
| Internal Configuration:          |
| Junction contact                 |
| Internal Junction Configuration: |
| Npn                              |
| Features Provided:               |
| Hermetically sealed case         |
| Semiconductor Material:          |
| Silicon                          |
| Terminal Type And Quantity:      |
| 3 uninsulated wire lead          |
| Shelf Life:                      |
| N/a                              |
| Unit Of Measure:                 |
|                                  |
| Demilitarization:                |
| Yes - demil/mli                  |
| Fiig:                            |
| A110a0                           |
|                                  |
