

View Online at <https://aerobasegroup.com/nsn/5961-01-008-9720>

Special Features:

Isilicon three phase bridge rectifier; 0.900 in. Lg; 1.120 in. Maximum dia; peak inverse voltage per leg 50v at 25 deg; reverse current leakage per leg 10ua at 25 deg; 3 lead type terminals; 3 diodes encapsulated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A503j0
