Overall Length:

0.125 inches

Overall Diameter:

1.505 inches

Unthreaded Mounting Hole Diameter:

0.146 inches all mounting facilities

Mounting Facility Type And Quantity:

4 unthreaded hole single mounting facility

Special Features:

Retainer upper

Material:

Plastic

Material Specification:

L-p-509 federal specification single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
