Overall Length:

2.250 inches

Overall Height:

0.480 inches

Overall Width:

1.105 inches

Unthreaded Mounting Hole Diameter:

0.019 inches first mounting facility

Accommodated Item Securing Device Type:

Holes

Mounting Facility Type And Quantity:

6 unthreaded hole second mounting facility

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11 mfr ref single material response

Style Designator:

Rectangular prism

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
