Overall Length:

3.090 inches

End Application:

Radar set an/sps-40d

Input Terminal Type:

Coaxial cable

Output Terminal Type:

Coaxial cable

Coaxial Connector Series Designation:

N

Operating Frequency:

Between 10.0 megahertz and 7.0 gigahertz

Input Contact Type:

Male

Output Coaxial Connection Series Designation:

N

Output Contact Type:

Female

Precious Material And Location:

Housing surface silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T386-h
